3 **Responsibilities**

- To promote sales of our smart cameras, line scan and digital cameras, vision controller and application software
- To achieve the assigned sales budget
- To attend to international and/or regional shows and workshops
- Interaction with our R&D and Field Engineer team

5 **Offer**

We offer an excellent salary with outstanding benefits and the opportunity to participate in the success of a unique high-tech company.

4 **Profile**

For this job we are looking for someone with a technical degree with sound knowledge in machine vision, with several years of experience in a similar function.

You need to be:

- Strongly motivated and poised with initiative in order to grow our business.
- Eager to promote new products and technology to our sales network and potential customers
- Understand the needs of the customer and translate them to the best solution
- Willing to travel and work in a team of professionals
- Experience with Machine Vision solutions is an asset
- English is a must, other foreign languages a plus
