Technical Trainer

Tattile

Have you ever imagined working for a state-of-the-art computer vision company dealing with machine learning based products generating a durable impact for the Planet? Tattile is a world leader and double-digit growing player in the ITS (Intelligent Transportation Systems) market, offering edge technology (Smart Cameras + Artificial Intelligence/AI) for Smart Cities and modern, green and safe Mobility Applications.

► Job brief

We are looking for an enthusiastic Technical Trainer to educate people in a technological field. You will develop technical training programs and help others develop skills that will make them better professionals. Technical trainers must be extremely knowledgeable in their field of expertise and possess solid technical aptitude. Additionally, we expect you to be an excellent communicator, able to explain complex subjects in a clear and interesting way.

The goal is to contribute to the development of people's technical HW & SW skills to meet organizational needs.

► Responsibilities

- Devise technical training programs according to organizational requirements
- Create a web based academy and follow up programs
- Determine course content according to objectives
- Prepare training material (web presentations, worksheets, tests, etc.)
- Execute training sessions, webinars, workshops etc. in groups or individually
- Arrange for and conduct on-site training when needed
- Observe and evaluate results of training programs.
- Determine overall effectiveness of programs and make improvements

► Requirements

- Proven experience as technical trainer
- Knowledge of modern training techniques and tools in technical subjects
- Experience in designing technical course content
- Ability to address training needs with complete courses
- Outstanding communication skills and comfortable speaking to crowds
- Excellent organizational and time-management abilities
- Degree in a relevant technical field
- Certification such as CTT+ (Certified Technical Trainer) is a strong asset
- Fluent English written – spoken (mandatory)

Offer

We offer an excellent salary and the opportunity to be a game changer in an innovative and technology driven company; you will be part of a young and dynamic team, collaborating with a worldwide network of Hi-Tech partners.
