Financial Controller

Tattile

Have you ever imagined working for a state-of-the-art computer vision company dealing with machine learning based products generating a durable impact for the Planet?

Tattile is a world leader and double-digit growing player in the ITS (Intelligent Transportation Systems) market, offering edge technology (Smart Cameras + Artificial Intelligence/AI) for Smart Cities and modern, green and safe Mobility Applications.

► Job brief

The goal of the position is to be an active promoter of the efficiency increase through a systematic analysis of the relevant indicators, contributing to position Tattile as a best in class company within TKH Group. We are looking for a dynamic and pro-active financial controller, who will support the Financial Team to ensure the correct definition and analysis of the KPIs of the whole organization, suggesting correctional actions.

► Responsibilities

- Cooperate with the Finance Team in the preparation of periodically (monthly and quarterly) reports and analysis for key stakeholders (Management and HQ)
- Develop a monthly marginality analysis at Market, Customer Product level
- Develop financial and industrial performance analysis, defining, maintaining and tracking KPIs for different activities and areas (R&D and Operations)
- Collaborate to the development of Budget, Actual and Forecast reporting and analysis

► Requirements

- University degree
- Previous experience in a similar role in an industrial manufacturing company or Audit experience in “Big 4” environment
- Proficiency with Ms Office
- Fluent English is a must
- Excellent analytical and presentation skills
- Good relational skills
- Knowledge of SAP BUSINESS ONE is a plus.

Offer

We offer an excellent salary and the opportunity to be a game-changer in an innovative and technology-driven company; you will be part of a young and dynamic team, collaborating with a worldwide network of Hi-Tech partners.
